

# THE TEST OF TIME. —SINCE 1865— THE LANG WAGON

Has been giving the most particular Wagon buyers Entire Satisfaction. This in itself should be sufficient proof that the WAGON IS RIGHT, that the Quality is there, and that it is a Light-Running Wagon.

Nothing but the Best Quality of Oak and Hickory are used in its construction, and none but Expert Workmen are employed in our Factory. These two features, combined with the fact that every Wagon is built under our direct supervision, make it possible for us to turn out a Wagon that is Unexcelled.

Don't make a mistake and buy a wagon that is unknown and untried, but a LANG. Ask the man who has one.
